- Evergreen Registration Page, including active attendee registration, link to Legal Marketplace profile, and video file of webcast.
- Promotion of archived webcast via BOLD Bites digital newsletter, and ALAnet.org link.

Customer Acquisition:

- Sponsor receives a complete list of registrants in excel post-event.
- Info included: Contact name, company, title, email, size of organization and mailing address.

“

Our team found the ALA Solutions Series Webcast to be a valuable resource to both educate and inform law firms about the efficiencies available through new technologies like Nuance's Dragon Speech Recognition. The ALA team provided a professional experience that helped make the webcast process easy. Within 15 minutes after the webcast, we had our first inbound request from a new customer prospect.”

- **Aimee Kreth** Senior Marketing Manager, Demand Programs, Dragon Desktop, Nuance Communications, Inc.

\$4,500/webcast

Additional Customization Option: \$500

(Up to 10 custom demographic registration questions for each registered attendee)
